**GÉNÉALOGIE DE LA
FAMILLE DENYS**

**GENEALOGY OF THE
DENYS FAMILY**

**MONTREAL
2014**

On trouvera ici la descendance en ligne masculine de Mathurin Denys, qui vivait en Touraine au XVI^e siècle. Cette descendance comprend les familles Denys de Bonnaventure, de Fronsac, de La Ronde, de Saint-Simon et de Vitré. Cet ouvrage complète et corrige les données compilées par de nombreux généalogistes, à commencer par David Audcent et André de La Ronde. La généalogie des premières générations est fondée sur les travaux récents de Jean-Marie Germe et Geoffrey Audcent, qui ont démontré le caractère purement spéculatif des liens établis avec d'autres familles Denys, notamment dans la généalogie fictive inventée par Frederick Gregory Forsyth à la fin du XIX^e siècle. Par souci de protection de la vie privée, les données arrêtent à la onzième génération.

This document presents the male-line descendants of Mathurin Denys, who lived in Touraine in the 16th century. Those descendants include the Denys de Bonnaventure, de Fronsac, de La Ronde, de Saint-Simon and de Vitré. This work provides additions and corrections to the data collected by several genealogists, chiefly David Audcent and André de La Ronde. The genealogy of the first generations is based on recent research by Jean-Marie Germe and Geoffrey Audcent, who rightfully dismissed as mere speculations the connections made with other Denys families, particularly in the fantasy genealogy crafted by Frederick Gregory Forsyth at the end of the 19th century. To address privacy concerns, the data do not go further than the eleventh generation.

⁷ Si le conjoint de Pentakakotepitch et l'époux d'Elizabeth Miskwatesi sont le même Eustache Laronde, celui-ci était soit le fils de Louis Marie (n° 27), soit le fils de Charles François (n° 28). S'il y avait deux Eustache, l'un d'entre eux était le fils de Louis Marie et l'autre, le fils de Charles François./If there was a single Eustache Laronde, spouse of Pentakakotepitch and husband of Elizabeth Miskwatesi, he was the son of either Louis Marie (#27) or Charles François (#28). If there were two Eustache, one of them was the son of Louis Marie and the other one, the son of Charles François.

⁸ Elizabeth Miskwatesi, mère de Marie et de Louis, et Elizabeth Robertson, mère d'Eustache, étaient vraisemblablement la même personne./ Elizabeth Miskwatesi, mother of Marie and Louis, and Elizabeth Robertson, mother of Eustache, were probably the same person.
